**AGREEMENT FOR COMMERCIAL TRANSFER
OF AMMUNITION INTO NEW YORK STATE**

The N.Y. Safe Act requires that any commercial transfer of ammunition to persons living in New York State go through a local FFL or Registered Seller of ammunition as an intermediary. These intermediaries are required to comply with the registration requirement of the N.Y. Safe Act (The Act).

The Armory wishes to transfer ammunition to their customers in New York State and to accomplish this enters into an agreement with _____,

(Business Name)

a Federal Firearms License holder or registered seller of ammunition (called The Intermediary) to receive ammunition on the behalf of the customer.

The Intermediary agrees to be the agent of the customer for the receipt of the ammunition at a charge of \$_____, to be paid by the customer. The Intermediary is not an agent, employee or partner of The Armory. The Intermediary is an independent entity and enters into this agreement to assure The Armory that it will abide by The Act. The Intermediary therefore agrees to comply with The Act. It agrees that it will hold harmless and indemnify The Armory from any failure to comply with The Act.

In the event that the customer fails to pick up the ammunition in ten (10) days, The Armory agrees to have it picked up and returned to them.

This agreement may be terminated by five (5) days written notice by either party. This agreement becomes effective upon the receipt by The Armory of a copy of the FFL's license and a signed copy of this agreement.
